ONLINE NOW

Located in the heart of downtown Portland, Ore., in the new Hotel Fifty, H50 bistro & bar opened this past summer. Part of the hotel's \$7 million makeover, the restaurant pairs a Northwest ambiance with innovative culinary style.

Guests at H50 bistro & bar will enjoy a menu prepared from primarily local and/or organically grown ingredients. In addition to traditional restaurant service, room service and on-site catering services, the restaurant offers the "Chef's Table," a private dining room in a glass enclosed room for eight guests to enjoy an intimate meal or a private meeting. Complimentary on-site covered parking and free Wi-Fi for those conducting business meetings during a meal are included. (H50 Bistro & Bar // 503.484.1415 / www.H50bistro.com)
