H5O Bistro & Bar - food

H5O bistro & bar is a whole new element in dining. And where "hanging out" in an inviting, comfortable environment is but a small part of what this dining experience is all about. Located at Hotel Fifty, H5O is convenient. And its all day dining has a broad appeal. H5O isn't "just" a hotel restaurant that has quickly developed a reputation as a popular upscale dining option among downtown-goers. And one of a few favorite restaurants in Oregon. What's so special about H5O is the food. It is fresh, simple, classic, fun, whimsical, and made with the best and freshest products and ingredients - many of which are locally and/or organically grown. Menus are intriguing, simply written and uniquely presented.
